Job Title (Month XXXX – Month XXXX) (<--Date at this position)

* Work description (Use a bulleted list with action phrases instead of complete sentence; phrases should not end with a period. Use key words to describe the work - Responsible, Provided, Customized, Performed, Developed, Designed, Maintained, etc.)

Technologies: (All of these technologies should be list above in the "Technical Experience" section. Include hardware, tools, and software.)

EDUCATION

**Certifications are different from certificates. If you receive a certificate in something this should be marked under education and vice versa.

Degree, Year (Do not abbreviate the degree.)

College, City, State/Country

CERTIFICATIONS

**Certifications go here. Examples of certifications are MSCE, MCP, CNA, etc.

Example:

Microsoft Certified System Engineer (MCSE)

ADDITIONAL TRAINING

**Training should be listed here.

**If you list the school, then write it like you would write the education.

Example:

AllFusion® Gen Basics

CA Training Center, Fort Worth, TX

Or if you don't list the School, then write it like the following:

Java

AllFusion® Gen

Advanced XML

AFFILIATIONS/PUBLICATIONS

**If you have affiliations or publications that are relevant to your career then list them here.

**If you have Affiliations without publications then change the heading appropriately and vice versa.

**If they are not relevant to your career then don't list them.
